About Global FX

TraditionDATA's Global FX data services compliments our other market leading data packages to give you the most comprehensive valuation and analytics capability. Customers can connect to TraditionDATA's Global FX services through direct connection or via one of the industry's recognized vendor channels.

Tradition serves our customers through more local offices than any competing FX Intermediary with offices in 29 countries. In addition to our major trading centers, Tradition offers our customers deep local markets expertise from desks in China, Singapore, Indonesia, India, Australia/New Zealand, Chile, Colombia, Russia, Israel and South Africa underscoring the highest quality data behind our Global Foreign Exchange data services.

About us

TraditionDATA provides consistent, high-quality financial market data that reflect real price interest in global OTC swaps markets, covering FX & Money Markets, Interest Rate Derivatives, Credit & Fixed Income, and Energy & Commodities. Data can be delivered directly from Tradition or from one of our global or regional distribution partners. Please contact your local TraditionDATA sales person.
